TERM 3, ISSUE 2

PRINCIPAL'S CHAT

Ngaji Ningan,

Last week saw the completion of our annual 'Faction Traction' athletics carnival. The event was held over two gruelling (and fun filled) days where students participated in regular competitive events such as long jump and 400m running mixed with tabloid events designed for fun and participation. Over both days our students exemplified the school's values of: Be Respectful, Be Resilient and Strong and Be Your Best. As well as fantastic results in length and time we also witnessed heart-warming examples of sportsmanship and care when our Year 6 girls ran alongside a classmate to offer support. Sport often provides the vehicle for people to show their excellence in not only physical strength, but also in kindness and compassion. Both were clearly on display at this year's event.

Events such as these require a great deal of preliminary planning and organisation. I would like to take this opportunity to thank Miss Jacinta and Miss Quartermaine for their tireless work in preparing such a terrific day for students, staff and community. As well as this, I would like to thank all of our staff members who played their role in ensuring that all of our events ran on time and that students were engaged throughout the whole day. Finally, I would like to thank all of the parents and family members who attended to offer their support for the athletes and our amazing P&C who provided a delicious cake stall for morning tea and a sausage sizzle for our students for lunch. Without their support we would have had some very hungry students.

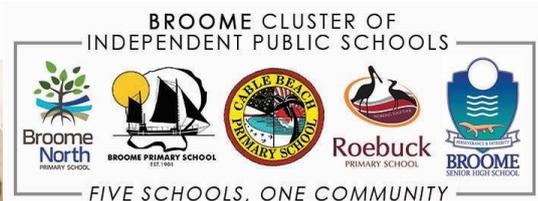

As well as this opportunity to show our abilities on the sporting field, we also sent our top mathematicians to this year's Interschool Mathematics Competition at Broome North Primary School. The event was made up of a variety of challenges which tested our student's mathematical knowledge as well as their ability to work as a team to solve complex problems. All of our teams had an amazing morning and represented the school honourably. Our Year 4 team and our Year 5 team both placed third in their respective events with Broome Primary taking home the trophy as interschool champions of 2021. We look forward to next year's event and would like to thank Broome North for their organisation.

Please be aware that throughout this year we have had many times when the general public have come on to school grounds and taken unchained bikes from our bike rack area. As a school we do our utmost in supervising this area but until we can organise an alternative security option for bikes the responsibility of bike security lies with the owner. Many students have solved this problem by asking a friend if they can lock their bikes together for the day and this has worked well in deterring would-be thieves.

REMINDER FOR YOUR CALENDAR

Monday 16th - 20th August	◆ Maths Week
Friday 27th August	◆ Assembly Gundurungu Nyirrwa Rm 6
Wednesday 8th September	◆ Interschool Jumps and Distance Running
Friday 10th September	◆ Interschool Athletics Carnival ◆ Assembly Gardgu Nyirrwa Rm 5

PBS BEHAVIOUR FOCUS

Week 5

BE SAFE

Use equipment the way it is meant to be used and tidy up after yourself

Be Safe
Be Respectful
Be Resilient
and Strong
Be Your Best

Week 6

BE RESPECTFUL

Keep your words respectful

YAWURU UPDATE

Yanggi miliya – What Now!

Ngaji gurrjin!

Current Season - Barrgana

In Barrgana season the bundurr (cold SE wind) blows strong making our skin dry out. Our gulamana (frilled necked lizard) and jarlangardi (goanna) aren't seen around the school as much now because they are hiding under ground and under ant hills during this season. Nganarr (dugong) and barrjarniny (wallaby) are healthy and in season. Ngamagarri (white cockatoo) feed on yarrinyarri (bush onion) and lay their eggs which hatch at this time of the year. Gumanyba (the Seven Sisters star formation) continues to shine brightly ngurragun (at night).

Galiya,

Miss Dalisa

ATHLETICS CARNIVAL PART 1

ATHLETICS CARNIVAL PART 2

COMMUNITY NEWS

FATHERING 101: Information & practical tips for Dads & father figures of 2-12yo. Facilitated by Brad Williams

MEN ARE MORE INVOLVED IN PARENTING THAN EVER BEFORE, BUT WITH SO MUCH INFORMATION OUT THERE IT CAN BE HARD TO KNOW HOW TO DO IT WITH CONFIDENCE.

[CLICK HERE](#) & REGISTER NOW FOR THIS FANTASTIC WORKSHOP DELIVERED BY A DAD FOR DADS!

THIS WORKSHOP WILL COVER:

- Developing self-regulation in kids
- Why set limits and boundaries?
- Why Dad's modelling is so important?
- Dads can be great teachers.
- Is it too much to expect, that parents be 'on the same page'?
- How much positive reinforcement is enough?
- Strengthening relationships

Fully catered, food and drinks available on arrival. Certificates for all attendees.

Where: Broome Lotteries House, Lot 642 Cable Beach Road.

When: Wednesday the 1st of Sep 6pm-8pm. Followed by a 30minute Q&A.

Cost: FREE courtesy of Parenting Connection WA and Anglicare WA

Facilitator: Brad Williams from Behaviour Tonics is well known for his engaging & practical workshops for Dad's. He has 2 teenage boys, so loads of experience to draw upon.

Phone: 08 9285 8100 for more info. [CLICK HERE TO REGISTER](#)
